**A SPECIAL REQUEST...** If your Grange has a new Lecturer please let me know. Also if you have printed up a schedule for your Subordinate meetings, please send me a copy. Without Pomona handbooks this year it is difficult to know who is meeting when. At State Session I was invited to visit with several Granges but do not know when they are meeting or what the program is. Thank you for any help you can give me.

See you around the State...

## **Candle Ceremony**

LECTURER: *The Grange ritual trivial quotes that we just heard remind us of the significance of ritual of Grange as our organization. Our brotherhood and sisterhood of Grange is not in any way trivial but continues after more than 150 years to espouse the values of our country.*

*Tonight we are here to dedicate ourselves to making \_\_\_\_\_Grange bigger and better than ever before. As we do this, many questions come to mind; our goals, how will we achieve them? How can we make this year, that we as a group devote to Grange, time well worth what we devote to it? What can we bring to Grange?*

(Granger reads item then lights candle, placing it in center of table)

1. COURTEOUS WORDS- courteous words instead of criticism, retorts and gossip. It would pay us all to listen to what we are saying as if it were said to us. (Light candle)
2. SMILES- Smiles are like the sunshine after a storm. They lighten and erase frowns. There is strength and happiness in a smile that gives us and others courage. (Light candle)
3. ENTHUSIASM- Enthusiasm is the magic that can inspire all who come in contact with it. Enthusiasm is the vibrant thrill in your voice that sways the will of others into harmony with your own. It is a magnet that draws kindred souls with an irresistible force. Let us have enthusiasm for our Grange work. (Light candle)
4. RESPONSE- In today's society, respond. A group of expressionless faces is disheartening. Let us respond, volunteer, and act. (Light candle)
5. UNDERSTANDING- Let us open our minds. Bring understanding to your greetings and dealings. Bring understanding to Grange meetings with an attitude that says we don't always agree with others, but we do seek the same end. Let's put our best efforts toward understanding one another. (Light candle)
6. ATTENTION- Attention to the speaker at our meetings or to the member who has the floor is a matter of courtesy. Let's resolve to give wholehearted attention all the time. (Light candle)
7. PATIENCE- Have patience, not irritation, consideration instead of annoyance. Let us have patience to allow ideas to grow and take form, patience to wait for less than immediate results, and patience to bear and forbear, knowing that others are also doing the same. (Light candle)

8. SINCERITY-For a few days each spring the orchards are full with blossoms. They seem to turn to fruit or float away, useless and wasted on an idle breeze. So it is with our good intentions, our high ideals, our resolve to be loyal. They must be deepened into decision or be dissipated by delay and lost. Let us always be sincere in all our resolves. (Light candle)
9. FACTS- Yes, facts are important. Many troubles and heartaches are caused by thoughtless acts when we are quick to jump to conclusions without knowing all the facts. (Light candle)
10. CREATIVE IDEAS- We don't need to fall back on 'the way we always have done it.' Great ideas come from the spark of a new idea. (Light candle)
11. HELPFULNESS- Helpfulness is the key to true Brotherhood. It takes on worldwide meaning today. Helpfulness is a kind and tender thing that comes from caring for one another. Let us all be quick to be of help whenever and wherever we can. (Light candle)
12. GIVING- Give of your time, your talents, your prayers, your friendship and especially your love. It can be said that it is better to give than receive, but also remember, you will reap what you sow. (Light candle)
13. ACTION- What will you do? Your measure of accomplishment is up to you. It is not what you wish or hope for but what you strive to do. (Light candle)
14. APPRECIATION- Why are we so slow to speak out in appreciation? When someone has put a lot of effort into doing something, show appreciation! (Light candle)

LECTURER: TEAMWORK- the full beauty of these candles aglow is not at its brightest, its radiant best, until all the candles are lit. Who makes the difference? You do. Courteous words, smiles, enthusiasm, response, understanding, attention, patience, sincerity, facts, creative ideas, helpfulness, giving, action, appreciation and teamwork for the blending together of hearts and minds and spirits to create a mighty symphony of fellowship. *You make the difference!*

Let us all rise and give our attention to our Worthy Chaplain.

CHAPLAIN: God, give us the courage to forget our yesterdays and welcome the challenge of today. Give us the gallantry to discard needless and useless fear and remorse and childish caution and pettiness. Give us wings to brave new and far horizons which lie beyond our common existence. So God, take our hearts and strengthen them for whatever may lie ahead. Amen.

## **SOME THANKSGIVING CUT-APARTS**

The Wampanoag Indians were the people who taught the Pilgrims how to cultivate the land.

The Pilgrim leader, Governor William Bradford, had organized the first Thanksgiving feast in 1621. He invited the neighboring Wampanoag Indians to the feast.

The first Thanksgiving celebration lasted three days.

Mashed potatoes, pumpkin pies, popcorn, milk, corn on the cob, and cranberries were not foods present on the first Thanksgiving's feast table.

Lobster, rabbit, chicken, fish, squashes, beans, chestnuts, hickory nuts, onions, leeks, dried fruits, maple syrup and honey, radishes, cabbage, carrots, eggs, and goat cheese are thought to have made up the first Thanksgiving feast.

The pilgrims didn't use forks; they ate with spoons, knives, and their fingers.

Benjamin Franklin wanted the turkey to be the national bird of the United States.

Sarah Josepha Hale, an American magazine editor, persuaded Abraham Lincoln to declare Thanksgiving a national holiday. She is also the author of the popular nursery rhyme "Mary Had a Little Lamb"

Abraham Lincoln issued a 'Thanksgiving Proclamation' on third October 1863 and officially set aside the last Thursday of November as the national day for Thanksgiving.

The annual Macy's Thanksgiving Day Parade tradition began in the 1920's.

In 1939, President Roosevelt proclaimed that Thanksgiving would take place on November 23rd, not November 30th, as a way to spur economic growth and extend the Christmas shopping season.

Since 1947, the National Turkey Federation has presented a live turkey and two dressed turkeys to the President. The President does not eat the live turkey. He "pardons" it and allows it to live out its days on a historical farm.

## LOVE THOSE CONNECTICUT WIVES

Three men married wives from different parts of the country. The first man married a woman from the Ozarks. He told her that she was to do the dishes and house cleaning. It took a couple of days, but on the third day, he came home to see a clean house and dishes washed and put away.

The second man married a woman from the back woods of Maine. He gave his wife orders that she was to do all the cleaning, dishes and the cooking. The first day he didn't see any results, but the next day he saw it was better. By the third day, he saw his house was clean, the dishes were done and there was a huge dinner on the table.

The third man married a girl from Connecticut. He ordered her to keep the house cleaned, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. He said the first day he didn't see anything, the second day he didn't see anything but by the third day, some of the swelling had gone down and he could see a little out of his left eye, and his arm was healed enough that he could fix himself a sandwich and load the dishwasher.

While flying around in a miniature sleigh  
With eight tiny reindeer to pull him along  
Then let's face it, Your egnog's too strong.
